ADOPT A CAT FROM **MCHS** AND SAVE A LIFE!

**Won't you help me find
my forever lap?**

There Are So Many Reasons to Adopt From MCHS:

- We have so many wonderfully loving cats waiting for their forever homes.
- With so many cats to choose from, we will help you find the "purrfect" companion for you, your family, personality, home, and lifestyle.
- Adopting a cat from us is economical—cats are vaccinated, FeLV and FIV tested, de-wormed, flea treated, often spayed or neutered. Many cats and kittens are eligible for special discounts.
- You may adopt a set of bonded cats -- a rewarding experience that enhances the quality of life for the cats and provides unlimited companionship for you and the cats.
- You will be saving a life and making it possible for other cats to have a second chance.
- You will help us continue to provide many needed services and ensure the humane treatment of our valued friends who cannot care for themselves.

Most importantly, you will gain a cherished companion who will enhance your health and happiness with **unconditional love.**
